Dear Mr Griffith

Re: *Public Inquiry into State Education*

Thank you for your interest in and submission to this Inquiry

As we have been overwhelmed with requests to present to the Panel, we have unfortunately had to reallocate the presentation time previously reserved for your presentation.

However, relevant material from your submission will be incorporated into the Inquiry's report, which will be available to the public.

Thank you again for your interest.

Sincerely

Jennifer Mansfield  
Executive Officer
